Shipping Options:

Add the following codes to the model number to specify shipping choice:

- **A** = Assembled & Welded
- **W** = Assembled & Fully Welded for Prisons

EX: BSRSB-10A for Assembled & Welded.

Construction: 16-gauge stainless steel. Casters are 4" swivel type, with life-time lubricated wheel bearings. Rated for 580°F, 400 lbs. each.

Capacity: Designed for 18" x 26" pans or 5-on bread strap pans for Side Load Rack. (Allow ±2 inches between finished products for best results.)

Baxter's Single Rotating Rack Oven will fit:

- 1 single rack (end load or side load)

Note: Oven racks are designed for use with the Baxter B-Lift carrier. Contact factory for alternate carriers or configurations.

As continued product improvement is a policy of Baxter, specifications are subject to change without notice.
